

Dear Member/Competitor

The Port St Francis Ski Boat and Yacht Club annual Tuna Challenge 2024 will be held from the 26th April to the 30th April, with registration taking place on 25th April.

Attached please find:

1. Invitation
2. Programme of Events
3. Competition Rules
4. Entry Form
5. Indemnity Form

Please read all of the above carefully and take note of the Radio check that **MUST** be completed on the Indemnity form prior to registration.

Entries close on the Monday, 8th April 2024 and all participants registered by the closing date will be catered for at the prize giving function. Late entries may be accepted, but there will be a cut off at 35 boats and boat packs and shirts might not be available after the closing date.

Due to venue space restrictions, there will only be a certain number of extra meal tickets available. These will be on a first come first serve basis at a cost of R300.00 each. Please secure your tickets as soon as possible, but at the latest by the closing date.

Please return your entries to laura@stfrancisyamaha.co.za together with a picture of your boat.

Kindly note any entry after the closing date will be an additional R100 per angler.

We have some fantastic prizes lined up again this year.

We look forward to receiving your entries and hope we have great weather and epic catches.

Tight lines

Laura Robson
Secretary
Port St Francis Ski Boat & Yacht Club
